

School Performance Fact Sheet – August 2016

Master of Music in Performance

2015 and 2016 Calendar Years (Data from Annual Reports)

The California Private Postsecondary Education Act (CPPEA) of 2009, effective January 1, 2010, requires under Section 94910 of the Act that a school provide information for each program offered in regards to completion rates, placement rates, licensure exam passage rates, and salary/wage information. The following information is data compiled from the period from January 1, 2015 to December 31, 2016.

ON-TIME COMPLETION RATES

Calendar Year	Number of Students Who Began Program ¹	Students Available for Graduation ²	Graduates ³	Completion Rate ⁴
---------------	---	--	------------------------	------------------------------

Master of Music in Performance Degree (24 months) (new program with enrollment beginning Fall 2013)

2015	11	8	8	72.7%
2016	8	8	8	100%

¹“Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

²“Students available for graduation” is the number of students who began the program minus the number of “Students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

³“Graduates” is the number of students who completed the program within 100% of the published program length.

⁴“Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

¹“Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

²“Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

³“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴“Graduates employed in the field” means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment shall begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program.

⁵“Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Pursuant to CEC 94910(f)(2), The Colburn School maintains a list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates. This list of actual employment of our graduates is kept in the Conservatory Office and is available upon request.
