

Color with

COLBURN

This coloring book is inspired by special artwork created for the Colburn School by costume designer Franco Martinez. These designs were featured in *Sweets from the Nutcracker*, a reimagined Nutcracker performance presented by the Trudl Zipper Dance Institute in 2020. Back by popular demand, we hope this book rekindles sweet memories from last year's performance and is a delightful addition to your holiday season this year.

TURKISH DELIGHT

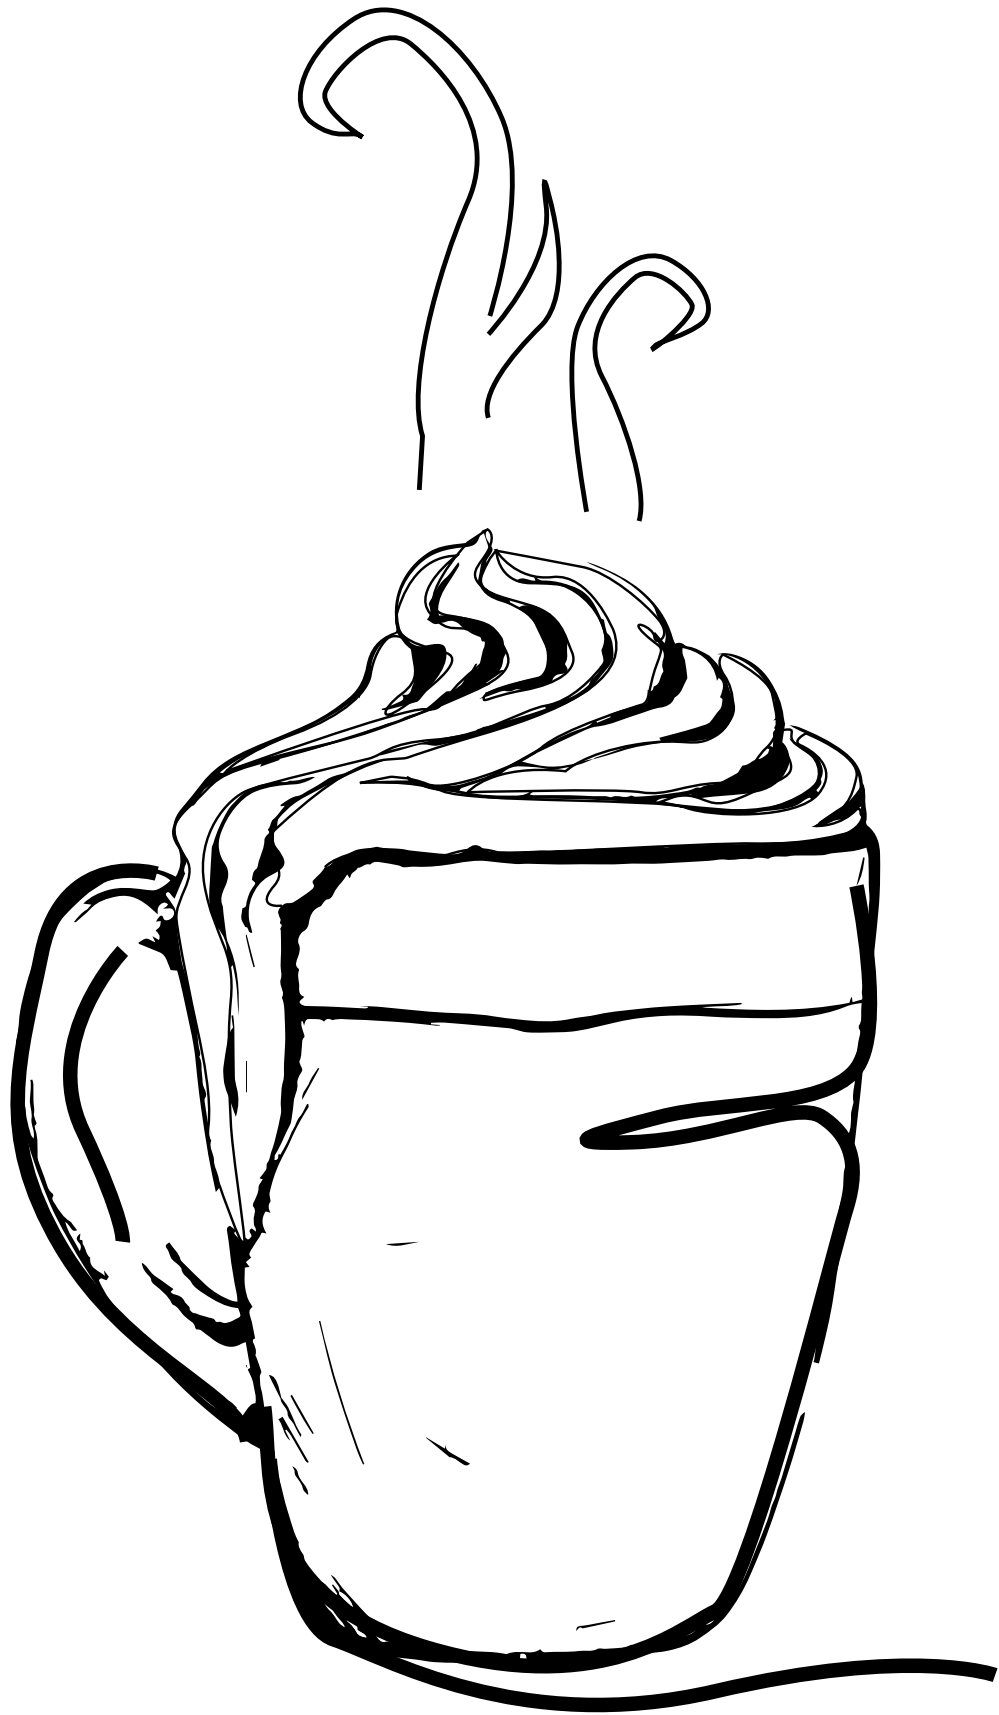

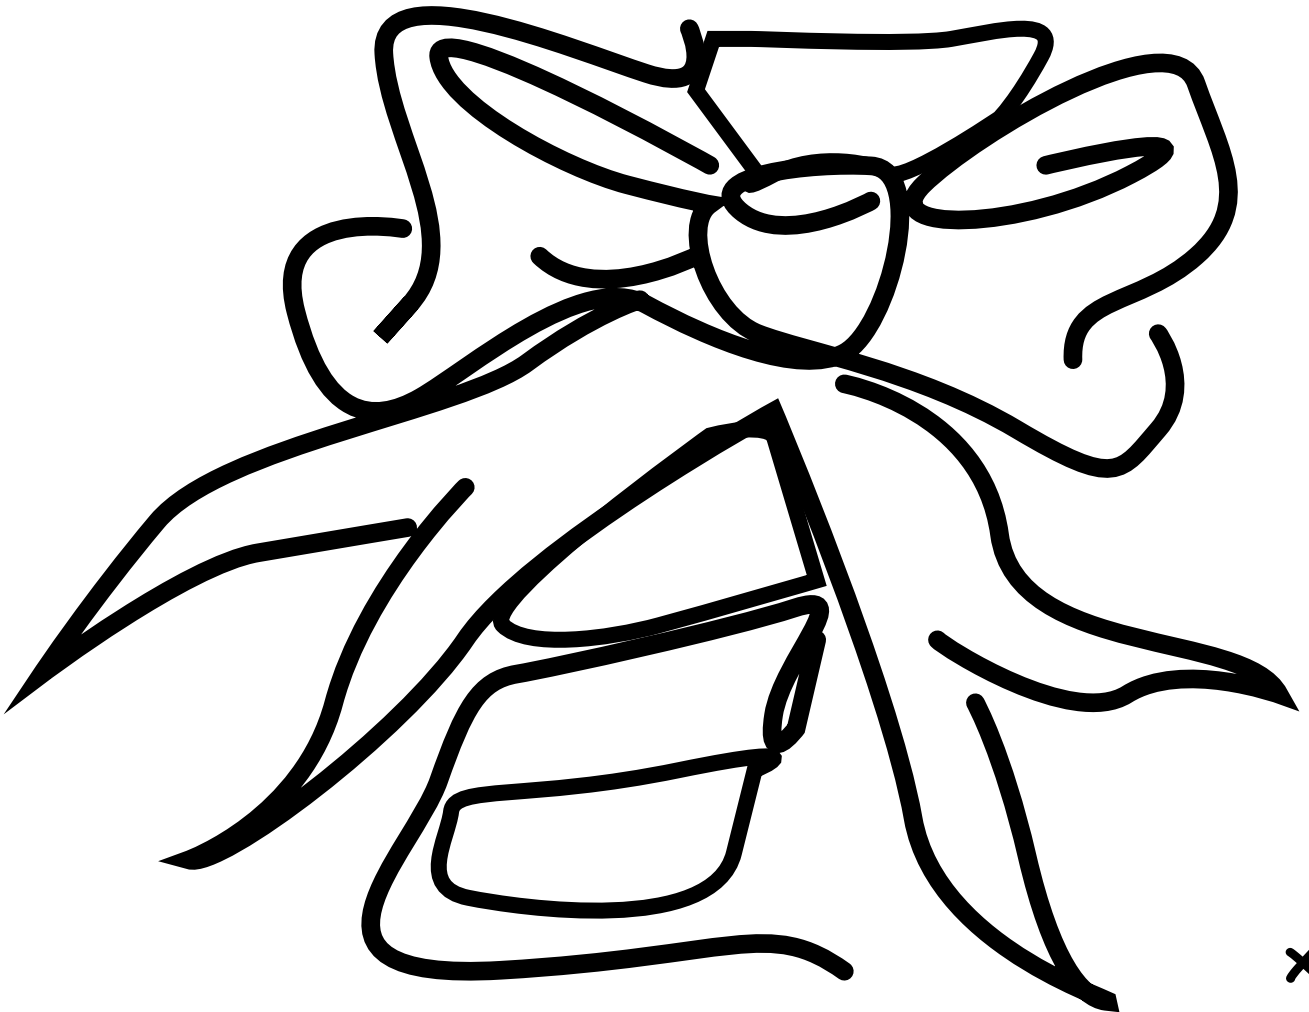

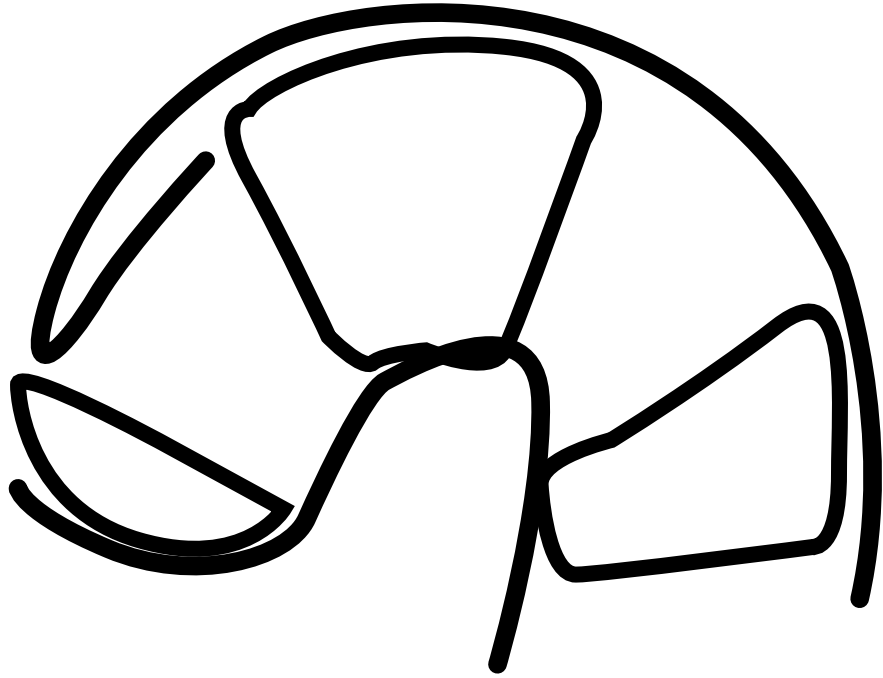

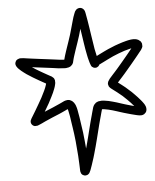

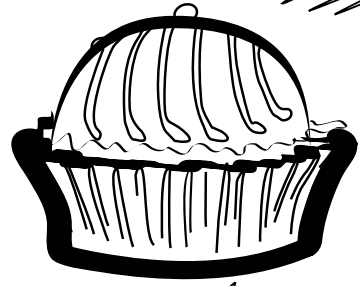

Color with Colburn was created as a special gift for our incredible community of donors, the Colburn Society. Your commitment and generosity has filled us with gratitude and kept us dancing and making music.

To learn more about the many ways you can support our students, visit colburnschool.edu/give-and-support or contact us at advancement@colburnschool.edu.
